every night you've been away

and i've got the blues for you

and i've bust my brains out for you
                         D
and i'll tear my hair out
              C   G
i'm gonna tear my hair out just for you
               D
if you don't believe what i'm saying
       C
at three o' clock in the morning, babe
   G
well, i'm singing my song for you.
