

The Rolling Stones - It should be You

Tom: Eb

She's sweet and tender, but I remember	'Cause girl, it should be you, it should be you
The girl I once knew, made me feel so blue	it should be you, it should be you
She loves me madly, I treat her badly	What can I do to win her back
'Cause girl, it should be you, it should be you	She kisses me but it's not the same
It should be you, it should be you	I'm broken hearted, since we parted
I went all wrong, when you were gone	I wanna pick up, from where we started
It seems ashamed, but I'm to blame	She loves me madly, I treat her badly
She loves me madly, I treat her badly	'Cause girl, it should be you, it should be you
	It should be you, it should be you
