C F  
i was lonely 'til i saw you at the station

and i never thought you'd keep our rendezvous  
F  
baby it's true

and a one-day pass to heaven is so hard to find

i need your sweet tenderness  
C G Bb F  
i need your soft caress

i know the day is coming

don't take away your loving  
F  
can't you see that i'm human

(instrumental - solo over the chords to chorus and verse)

(break)

just because you've seen my face  
just because you know my name  
i'm a stranger in this town  
can't i have my ups and downs?  
can't you see that i'm human?

(play opening bass riff once then)

(interlude)

i get hungry, get thirsty |  
i get moody, i need attention | (continue playing)

(chorus)

give me just another night, just another night with you  
'cause i'm freezing in this hundred dollar hotel room  
don't make me leave you, don't you be so cruel.
