

The Rolling Stones - Laugh, I Nearly Died

Tom: **G**

(**Bm G**) (2x)

I've been travelling, but I don't know where
I've been missing you, but you just don't care
And I've been wandering, I've seen Greece and Rome
Lost in the wilderness, so far from home

Yeah, yeah

(**Bm G**)

I've been to Africa, looking for my soul
And I feel like an actor, looking for a role
I've been in Arabia, I've seen a million stars
Been sipping champagne, on the boulevards - yes

(**Em G**)

I'm so sick and tired
Trying to turn the tide, yeah
So I'll say my goodbye

Laugh, laugh
I nearly died

I've been down to India, but it froze my bones
I'm living for the city, but I'm all alone
I've been travelling, but I don't know where
I've been wandering, but I just don't care

Em G

I hate to be denied
How you hurt my pride

I feel pushed aside

But laugh, laugh, laugh
I nearly died

Been travelling far and wide,
wondering who's going to be my guide
Been travelling far and wide,
wondering who's going to be my guide

Living in a fantasy, but it's way too far
But this kind of loneliness, is way too hard
I've been wandering, feeling all alone
I lost my direction, and I lost my home...well

I'm so sick and tired
Now I'm on the side
Feeling so despised

When you laugh, laugh
I almost died

Been travelling far and wide,
wondering who's going to be my guide
Been travelling far and wide,
wondering who's going to be my guide . . .
