

The Rolling Stones - Streets of love

Tom: C
Intro:

Verso:
You're awful bright, you're awful smart
I must admit you broke my heart
The awful truth is really sad
I must admit I was awful bad
While lovers laugh and music plays
I stumble by and I hide my pain
The lights are lit, the moon is gone
I think I've crossed the Rubicon

Refrão:
I, I walk the streets of love
and they're full of tears
And I, I walk the streets of love
and they're full of fears

While music pumps from passing cars
A couple watched me from above
A band just played the wedding march

And the cornerstore mends broken hearts

The woman ends
If for her debts
It's free of charge
Just one more chance
I, I walk the streets of love
and they're full of tears
And I, I walk the streets of love
and they're full of fears

You had the moves, you had the cards
I must admit you were awful smart
The awful truth is awful sad
I must admit I was awful bad

I, I walk the streets of love
and they're full of tears
And I, I walk the streets of love
and they're full of fears
