# The Rolling Stones - The Worst

Tom: D
Intro: (D A D A D A E )

```
    D            G
I said from the first
D            A        D
I am the worst kind of guy
     G          A  E
For you to be around
D         G   D                   A             D
Tear me apart, including this old heart, that is true
        G                   A  A
And will never ever let you down
A              D        A   A
You shouldn't stick with me
 A              D         A  A D G
You trust me too much, you see
D            G
```

```
Take all the pain
D             A  D  G    A D G D A D G A A
It's yours anyway, yeah, kid
A              D      A A
Oh, put the blame on me
A              D         A A
You ought to pass, you see
A             D        A          D
Somewhere outside, I threw love a side
     A           D  A E D G D A D G A E
And now it's a tragedy
    D            G
I said from the first
 D          A          D
I am the worst kind of guy
      G          A      E
For you to be around
```
