Hey baby, every man is the same come on I'll make you a star
I'll take you a million miles from all this
Put you on pedestal, come on, come on
Have you ever heard those opening line
You should leave this small town way behind
I'll be your partner, show you the steps
Whit me behind your tasting of the sweet wine of success
Cause I'll take you to the top
Hey baby, I'll take you to the top
Step on ladder, toe in the pool

Your such a natural you don't need no acting shool
Don't need no casting couch, or be a star in bed
Never,never,never,let success go to pretty head
Cause I'll take you to the top
I swear we'll never going to stop, baby
I'll take you to the top
Don't let the world pass you by
You better your chance now baby
Or be sorry for the rest of your sweet loving life,
Oh, sugar, hey sugar, I'll take you to the top
I'll take you to the top
I'll take you to the top,sugar
