

The Romantics - Talking In Your Sleep

```
and I know that I'm right,
                            tom:
                                                                'cause I hear it in the night
            ( Dm Gm C Dm )
                                                                                               Gm C
                                                                I hear the secrets that you keep, when you're talking in your
                                        Gm C Dm
                                                                sleep
                                                                                               Gm C
When you close your eyes and you go to sleep,
                                      Gm C
                                                                I hear the secrets that you keep, when you're talking in your
and it's down to the sound of a heartbeat
I can hear the things that you're dreaming about
                                                                I hear the secrets that you keep, when you're talking in your
                                                                sleep
When you open up your heart and the truth comes out
                                                                                               Gm C
                                                                I hear the secrets that you keep, when you're talking in your
                                                                sleep
You tell me that you want me,
                                                                                                         \mathsf{Gm} \quad \mathsf{C} \quad \mathsf{Dm}
you tell me that you need me
                                                                When you close your eyes and you fall asleep,
                                                                                              Gm C Dm
You tell me that you love me,
                                                                everything about you is a mystery
       Bb
and I know that I'm right,
                                                                You tell me that you want me,
'cause I hear it in the night
                                                                you tell me that you need me
                               Gm C
                                               Dm
I hear the secrets that you keep, when you're talking in your You tell me that you love me,
                                                                and I know that I'm right,
I hear the secrets that you keep, when you're talking in your
                                                                'cause I hear it in the night
                                 Gm C Dm
When I hold you in my arms at night,
                                                                I hear the secrets that you keep, when you're talking in your
don't you know you're sleeping in the spotlight
                                                                                               Gm C
                                                                I hear the secrets that you keep, when you're talking in your
And all your dreams that you keep inside
                                                                                               Gm C
                                                                I hear the secrets that you keep, when you're talking in your
You're telling me the secrets that you just can't hide
                                                                sleep
                                                                                               Gm C
You tell me that you want me,
                                                                I hear the secrets that you keep, when you're talking in your
you tell me that you need me
                                                                                               Gm C
                                                                I hear the secrets that you keep, when you're talking in your
You tell me that you love me,
