

The Runarounds - Beautiful Stranger

```
So won't you come dancing with me
                tom:
                Gb (forma dos acordes no tom de D )
                                                                Tonight
Capostraste na 4º casa
Intro: D G D G
                                                                But I hope
                                                                That she don't know
                                                                That I could hardly breathe
Well I want to
                                                                When she stood right next to me
I want to know your name
                                                                Oh, no I went to her show
Beautiful Stranger
                                                                     G
                                                                Darling it's too bad for me
Want you
                                                                 Em
                                                                                 A7
                                                                I guess I'm going out my league
I want you to come my way
                                                                ( Em A7 )
( Em A7 )
Whatever it takes
         Gbm
And I've only got so much time
                                                                And I know that she'll be off before too long
     Gbm
And I can't get you off of my mind
                                                                No time waste I gotta get her name
So won't you come dancing with me
                                                                Before she's gone
Tonight
                                                                        Em
                                                                Well what else am I to say
                                                                        Em
But I hope that she don't know
                                                                And I'm aware that it's a bit cliche
                                                                         Em
That I could hardly breathe
                                                                And it was crazy when she walked my way cause I thought
When she stood right next to me
                                                                ( D G )
Oh, no I went to her show
                                                                ( D G )
         G
                                                                (DG)
And darling it's too bad for me
                                                                ( D G )
I guess I'm going out my league
                                                                'Cause I thought
( D G D G )
                                                                The perfect girl does not exist
                                                                But there she is
Well I notice the patches on your coat
                                                                Oh and I could hardly breathe
The patches you've sown
                                                                When she stood right next to me
You know dear it makes my blood run cold
                                                                I wish that I could see her show
Pale as a ghost
                                                                But there she goes
                    Fm Fm
       Gbm
                                                                   Em
And I've only got so much time
                                                                And darling its too bad for me
                                                                               A7
And I can't get you off my mind
                                                                I guess I'm going out my league
