

The Runarounds - Funny How The Universe Works

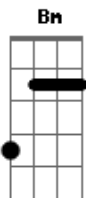

tom:
 A
 Bm
 It's funny how the universe works
 Bm
 My heart feels funny when you're tryna make it hurt
 A
 I keep on runnin' into you, it's like a curse
 Gbm
 But I'm lovin' now it's only gettin' worse
 Bm
 'Cause I kinda like it when you got my tongue-tied
 Dbm Bm
 Feel all the chemistry was starin' at your eyes
 Bm A
 That's all just history, I know we said goodbye
 A Gbm
 But I said fuck it, I just want you one more time
 Bm Bm Dbm
 And I'm wonderin' why do we even part
 A A Gbm
 And I'm stutterin' when talkin' get this hot
 Bm Bm Dbm
 And I'm sufferin' your love, it left me scarred
 A
 If I say some things I mean, please disregard
 Bm
 When I saw you across the room
 Dbm A
 A girl that I once knew
 Maybe different than before
 Bm
 When I saw you across, I knew
 Dbm A
 I had to make a move
 Lesson's learned around the door
 Bm
 Whoa oh oh oh oh, won't you please come hold me?
 Dbm A
 Whoa oh oh oh oh, won't you crush me slowly?
 Bm
 Whoa oh oh oh oh, won't you please come hold me?
 Dbm A
 Whoa oh oh oh oh

You're the type of girl to start a scene
 Bm
 Now it's just a game, another opportunity
 A
 Placin' our bets, who is gonna concede
 Gbm
 I don't wanna win, baby, take my sanity
 Dbm Bm
 'Cause I kinda like it when you got my tongue-tied
 Dbm Bm
 If you break my heart, I want you squeeze it till it dies
 Gbm A
 Tough we were history I know we said goodbye
 But I said fuck it, I just want you one more time
 Bm Bm Dbm
 And I'm wonderin' why do we even part
 A A Gbm
 And I'm stutterin' when talkin' get this hot
 Bm Bm Dbm
 And I'm sufferin' your love, it left me scarred
 A
 If I say some things I mean, please disregard
 Bm
 When I saw you across the room
 Dbm A
 A girl that I once knew
 Maybe different than before
 Bm
 When I saw you across, I knew
 Dbm A
 I had to make a move
 Lesson's learned around the door
 Bm
 Whoa oh oh oh oh, won't you please come hold me?
 Dbm A
 Whoa oh oh oh oh, won't you crush me slowly?
 Bm
 Whoa oh oh oh oh, won't you please come hold me? Whoa
 Dbm A
 Oh, oh oh, oh oh
 A
 Oh, oh oh (whoa)
 Bm
 Whoa, whoa, whoa
 A
 Whoa, whoa, whoa
