

## The Runarounds - Shoelaces

```
tom:
                Bb
       Bb
I crashed my car the other night
Swear you called me out of spite
              Dm
Just to tell me that you?re seeing him
Even with my shoulder pads
It wouldn?t hurt me half as bad
As how you chose to say the words you did
I guess I could forget about it
How you tie your pants with your shoe Laces
I still talk to the mirror bout
All the things I try to say to
             Dm
I think that you?re pretty cool
Do you wanna see me
   F
Cause I wanna see you
I think that you?re pretty cool
   Cm
And I wanna be him
So that I can have you
I think that you?re pretty cool
   Cm
Do you wanna see me
Cause I wanna see you
      Dm
I think that you?re pretty cool
     Cm
And I wanna be him
So that I can have you
I bet you think he?ll play the part
But you deserve a better heart
I hope you?re thinking twice before you jump
He?ll try his best he?ll swing and miss
And leave excuses on your lips

So skip the part where you call him the one
I guess I could forget about it
How you tie your pants with your shoe Laces
I still talk to the mirror bout
All the things I try to say to
            Dm
I think that you?re pretty cool
Do you wanna see me
Cause I wanna see you
I think that you?re pretty cool
  Cm
And I wanna be him
So that I can have you
I think that you?re pretty cool
    Cm
Do you wanna see me
Cause I wanna see you
           Dm
I think that you?re pretty cool
And I wanna be him
    F
So that I can have you
I think that you?re pretty cool
     Cm
Do you wanna see me
Cause I wanna see you
I think that you?re pretty cool
     Cm
And I wanna be him
So that I can have you
            Dm
I think that you?re pretty cool
Do you wanna see me
    F
Cause I wanna see you
I think that you?re pretty cool
     Cm
And I wanna be him
So that I can have you
