

The Rural Alberta Advantage - In The Summertime

tom:
Eb (forma dos acordes no tom de C)
Capostrate na 3ª casa

In the summertime
I don't know if the stars were aligned
We'd stumble onto something we would like
And I'm afraid I lost the words tonight
And in your summer dress, was holding you
But you were holding less
It's not the words, it's the ones you stress
I love as I love you just don't love me less
And once in a while
I know our hearts beat out of time
And once in a while
I know they'll fall back in line
In the summertime

I don't know if the stars were aligned
We'd stumble onto something we would like
And I'm afraid I lost the words tonight
And when we're middle aged
You tell me I loved you like a renegade
And how I say the things that make you sway
And mostly I told you you did the same
And once in a while
I know our hearts beat out of time
And once in a while
I know they'll fall back in line
(F)
Our love is strong
Our love is strong
Our love is strong
While my heart's still pumping blood
