

The Saxophones - Best Boy

tom:
 Capotraste na 1ª casa

Bb (forma dos acordes no tom de A)

Who's to say what I mean?

I'm just a body that feels this way

And you know it hurts when you speak at me and I don't understand

There's a pain in my teeth, there's a pain in my feet

There's a feeling of dread I can't reach, but it feels good

I'm still young

I swear I know how to have fun

There's a pity party happening tonight at my house

You may be invited, just be sure you don't open my mouth

Though I came with questions

I've resisted answers from the start of it

Cause my religious leanin' is all about the feelin'
