

The Saxophones - Singing Desperately

tom:

I find it funny
 How you find it sad
 Keep telling myself
 I can't be that bad
 You're thinking of me differently
 I'm thinking in myself
 I'm starting to stop as we speak
 I'm starting to lose
 I'm falling asleep and I am

Sorry again
 I'm aware I've begun to believe too much
 Recoiling from your tender touch
 Believin
 I'm this way for a reason
 You're thinking of me differently
 I'm thinking in myself
 I'm starting to stop as we speak
 I'm starting to lose
 I'm falling asleep and I am
 Sorry again

Acordes
