

The Script - If You Could See Me Now

Tom: C

It was ^{Am} February ^F fourteen, Valentine's Day
^C The roses came, but they took you away
^{Am} Tattooed on my arm is a charm to disarm all the harm
^G Gotta keep myself calm but the truth is you're gone
^{Am} And I'll never get to show you these songs
^C Dad, you should see the tours that I'm on,
^{Am} I see you standing there next to Mom
^C Always singing along, yeah arm in arm

[Continue with the same pattern]

And there are days when I'm losing my faith
 Because the man wasn't good he was great
 He'd say music was the home for your pain
 And explain, I was young, he would say
 "Take that rage, put it on a page
 Take the page to the stage
 Blow the roof off the place"
 I'm tryna make you proud
 Do everything you did
 I hope you're up there with God
 Saying that's my kid

I still look for your face in the crowd
 Oh if you could see me now
 Would you stand in disgrace or take a bow
 Oh if you could see me now
 (Oh if you could see me now)

If you could see me now would you recognize me
 Would you pat me on the back or would you criticize me

Would you follow every line on my tear stained face
 Put your hand on a heart that's was cold as the day you were
 taken away
 I know its been awhile but I could you see clear as day
 Right now, I wish I could hear you say

I drink too much and I smoke too much dutch
 But if you can't see me now that shit's a must
 You used to say I won't know---
 Like I wont' know real love till I've loved then I've lost it
 And if you've lost a sister, someone's lost a mom
 And if you've lost a dad, then someone's lost a son
 And they're all missing now, and they're all missing now
 So if you get a second to look down at me now
 Mom, Dad, I just missing you now

I still look for your face in the crowd
 Oh if you could see me now

Am F C G

Would you stand in disgrace or take a bow
 Oh if you could see me now
 Oh.. Oh..

Would you call me a saint or a sinner?
 Would you love me a loser or winner?
 Oh.. Oh..

When I see my face in the mirror
 We look so alike that it makes me

I still look for your face in the crowd
 Oh if you could see me now
 Would you stand in disgrace or take a bow
 Oh if you could see me now
 I still look for your face in the crowd
 Oh if you could see me now
 Would you stand in disgrace or take a bow
 Oh if you could see me now
 Oh..
 You could see, you could see me now
 (You could see, you could see me now)
