

# The Script - If You Ever Come Back

Tom: <sup>G</sup>

If you're <sup>G</sup> standing with your suitcase

But you can't step on the train

<sup>C</sup> Everything's the way that you left it I still haven't slept yet

<sup>G</sup> And if you're covering your face now

But you just can't hide the pain

<sup>C</sup> Still setting two plates on the counter but eating without 'cha

<sup>G</sup> If the truth is you're a liar

When you say that you're okay

<sup>C</sup> I'm sleepin on your side of the bed goin' out of my head now

<sup>G</sup> And if you're out there try'na move on

But somethin' pulls you back again

<sup>C</sup> I'm sitting here try'na persuade you like your in the same room

<sup>Em</sup> And I wish you could give me the cold shoulder <sup>G</sup>

<sup>D</sup> And I wish you could still give me a hard time <sup>C</sup>

<sup>Em</sup> And I wish I could still wish it was over <sup>G</sup>

<sup>D</sup> But even if wishing is a waste of time

<sup>D</sup> Even if I never cross your mind

<sup>G</sup> I'll leave the door on the latch

<sup>D</sup> If you ever come back if you ever come back

<sup>C</sup> There'll be a light in the hall and a key under the mat

If you ever come back

<sup>G</sup> There'll be a smile on my face and the kettle on

<sup>D</sup> And it will be just like you were never gone

<sup>C</sup> There'll be a light in the hall and a key under the mat

<sup>G</sup> If you ever come back if you ever come back now

<sup>D</sup> Oh if you ever come back if you ever come back now

<sup>D</sup> If it's the fighting you remember or the little things you miss

<sup>C</sup> I know you're out there somewhere so just remember this

<sup>D</sup> If it's the fighting you remember or the little things you miss

Oh just remember this, oh just remember this

<sup>G</sup> I'll leave the door on the latch

<sup>D</sup> If you ever come back if you ever come back

<sup>C</sup> There'll be a light in the hall and a key under the mat

If you ever come back

<sup>G</sup> There'll be a smile on my face and the kettle on

<sup>D</sup> And it will be just like you were never gone

<sup>C</sup> There'll be a light in the hall and a key under the mat

<sup>G</sup> If you ever come back if you ever come back now

<sup>D</sup> Oh if you ever come back if you ever come back now

<sup>G</sup> Now they say I'm wasting my time

<sup>C</sup> 'Cause you're never comin home

But they used to say the world was flat but how wrong was that now

<sup>G</sup> And by leavin' my door open

<sup>C</sup> I'm risking everythin' I own

There's nothin' I can lose in a break-in that you haven't taken

<sup>Em</sup> And I wish you could give me the cold shoulder <sup>G</sup>

<sup>D</sup> And I wish you could still give me a hard time <sup>C</sup>

<sup>Em</sup> And I wish I could still wish it was over <sup>G</sup>

<sup>D</sup> But even if wishing is a waste of time

<sup>C</sup> Even if I never cross your mind

<sup>G</sup> I'll leave the door on the latch

<sup>D</sup> If you ever come back if you ever come back

<sup>C</sup> There'll be a light in the hall and a key under the mat

If you ever come back

<sup>G</sup> There'll be a smile on my face and the kettle on

<sup>D</sup> And it will be just like you were never gone

<sup>C</sup> There'll be a light in the hall and a key under the mat

<sup>G</sup> If you ever come back if you ever come back now

<sup>D</sup> Oh if you ever come back if you ever come back now

<sup>D</sup> If it's the fighting you remember or the little things you miss

<sup>C</sup> I know you're out there somewhere so just remember this

<sup>D</sup> If it's the fighting you remember or the little things you miss

Oh just remember this, oh just remember this

<sup>G</sup> I'll leave the door on the latch

<sup>D</sup> If you ever come back if you ever come back

<sup>C</sup> There'll be a light in the hall and a key under the mat

If you ever come back

<sup>G</sup> There'll be a smile on my face and the kettle on

<sup>D</sup> And it will be just like you were never gone

<sup>C</sup> There'll be a light in the hall and a key under the mat

<sup>G</sup> If you ever come back if you ever come back now

<sup>D</sup> Oh if you ever come back if you ever come back now

<sup>G</sup> And it will be just like you were never gone

<sup>D</sup> And it will be just like you were never gone

<sup>C</sup> And it will be just like you were never gone

<sup>G</sup> If you ever come back if you ever come back now
