

The Script - The End Where I Begin

Tom: C

Bm Gbm E x2

Bm Sometimes tears say all there is to say
Bm Sometimes your first scars won't ever fade, away
Bm Tried to break my heart

Well it's broke
Tried to hang me high
Well I'm choked

Wanted rain on me
Well I'm soaked
Soaked to the skin

It's the end where I begin
It's the end where I begin

Bm Sometimes we don't learn from our mistakes
Bm Sometimes we've no choice but to walk away, away

Bm Tried to break my heart
Well it's broke
Tried to hang me high
Well I'm choked

Wanted rain on me
Well I'm soaked
Soaked to the skin

It's the end where I begin
It's the end where I begin

F

Now I'm alive

And my ghosts are gone
I've shed all the pain

I've been holding on
The cure for a heart
Is to move along, is to move along
So move along X3

What don't kill a heart
Only makes it strong

Verse 3:

Bm Sometimes tears say all there is to say
Bm Sometimes your first scars won't ever fade, away
Bm Tried to break my heart

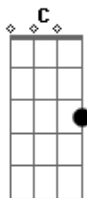

Well it's broke
Tried to hang me high
Well I'm choked

Wanted rain on me
Well I'm soaked
Soaked to the skin

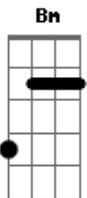

It's the end,
End where I,
End where I,
End where I,
Begin X2

Bm Sometimes we don't learn from our mistakes
Bm Sometimes we've no choice but to walk away, away.
