

The Shins - 40 Mark Strasse

Tom: **A**

Intro: **A Dbm**

A **Dbm**
Is it all so very simple

D **E**
And horribly complex?

Bm **E**
You suffer in a thimble

A **D**
And there's nothing coming next

A **Dbm**
Your mom smokes in the kitchen

D **A**
Her voice a cutting drone

Bm **E**
So creeping out, you pass the bar

A **D**
Your father's second home

A **D** **E**
That leaves you on your own

A **Dbm**
Nights I'd often watch you

D **E**
Float across the grounds

Bm **E**
Out the gate to the motorway

A **D**
What secrets have you found?

A **Dbm**
You had to know I wanted

D **A**
Something from you then

Bm **E**
Too young to know just what it was

A **D**
Something more than a friend

A **D** **E**
Is that you at the end

Gbm **E** **Bm** **D** (**D** **E**)
Where you play in the street at night

Gbm **E** **Bm** **D** (**D** **E**)
Blown like a broken kite

Gbm **E** **Bm** **D** (**D** **E**)
My girl, you're giving up the fight

A **Dbm** **G**
Are you gonna let these Americans

Put another dent in your life?

(**A** **Dbm**) (2x)

A **Dbm**
My mother says your dirty

D **E**
They're gonna find you dead

Bm **E**
But have you got that final chapter

A **D**
Written in your head?

A **Dbm**
Cause every single story

D **A**
Is a story about love

Bm **E**
Both the over flowing cup

A **D**
And the painful lack thereof

A **D** **E**
You got the heart of a dove

Gbm **E** **Bm** **D** (**D** **E**)
But, you play in the street at night

Gbm **E** **Bm** **D** (**D** **E**)
Blown like a broken kite

Gbm **E** **Bm** **D** (**D** **E**)
My girl, you're giving up the fight

Gbm **E** **Bm** **D** (**D** **E**)
You'll have to lose all them childish notions

A **Dbm** **G**
If you're gonna let these American boys

E
Put another dent in your life

(**Bm** **E**) (4x)

Gbm **E** **Bm** **D** (**D** **E**)
you play in the street at night

Gbm **E** **Bm** **D** (**D** **E**)
Blown like a broken kite

Gbm **E** **Bm** **D** (**D** **E**)
My girl, you're giving up the fight

Gbm **E** **Bm** **D** (**D** **E**)
You'll have to lose all them childish notions

A **Dbm** **G**
Or you're gonna let these Americans

E
Put another dent in your life

(**A** **Dbm**)
