Tuning: Standard
Intro: **D**

--Verse 1--

A **E**
The gutter may profess its love,

A **Dbm** **D**
Then follow it with hesitation,

A **Dbm** **E** **D E**
But there are just so many of you out there for rent

A **E**
A stronger girl would shake this off in flight,

A **Dbm** **D**
And never give it more than a frowning hour,

A **Dbm** **E**
But you have let your heart decide, loss has conquered you,

--Chorus--

D **E** **D**
You've won one too many fights,

E
Wearing many hats every time,

D **E** **A** **D E**
But you wont win here tonight,

--Verse 2--

Same chords as Verse 1
You've made it through the direst of straits alright,
Can you help it if plain love now seems less interesting?
You haven't changed an ounce in my eyes,
And I cannot lecture you,

And does anything I say seem relevant at all?
You've been at the helm since you were just five,
While I cannot claim to be more than a passenger,

--Chorus--

D **E** **D**
But, you've won one too many fights,

E **D**
Wearing all of your clothes at the same time,

E **Gbm**

Let the good times end tonight,
G **D** **E**
Oh girl, sail her, don't sink her, this time

D (Repeat Intro)

--Guitar Solo--

A **E** **A**
Dbm **D**
A **Dbm** **E**

Verse chords

--Middle Part--

Gbm **G** **Gbm**
Just a moment or two from now,

G **Gbm**
Not a mind will retain even a trace,
G **D**
Of the thoughts that I struggled to tell

E
And how our stack of cards just fell,

--Verse 3--

Same chords as Verse 1
So settle this once and for all,
The light no longer shows the cracks around my door,
And I have no lantern to light your way home tonight,

--Chors--

Same chords as previous chorus
You are not some saint who's above,
Giving someone a stroll through the flowers,
You've got so much more to dream of,
Oh girl, sail her, don't sink her,
This time,
This time,
This time.

End on **D**
