

The Shins - Sleeping Lessons

Tom: **E**
 Tabbed by: Injulen
 Album: Wincing the Night Away
 Tuning: Standard

This is my first tab ever, but I really wanted to play this song.
 I'm pretty sure the key of the song is **A** Major, but I'm not sure.

Basically just strum this chord alot:

A Major
 -5-
 -5-
 -6-

-7-
 -7-
 -5-
 then

then it seems as if they are using just these two power chords

---	---	
---	---	
---	---	
-7-	-9-	
-5-	-7-	

I'm not positive on any part of this, but this is what I think it is.
