

The Silencers - Bulletproof Heart

Tom: C
Intro: Am - G

Assobio: Am - G

Am G
Some say this is a dangerous place
Dangerous women lipstick mace
Men disappear without a trace
Stay anonymous hide your face
In this town you'd need a bulletproof heart
In this town you'd need bulletproof shatterproof heart
Am G
When I came here I was innocent
Soon found out what trouble meant
Now I regret the times I've spent
In your towerblocks and tenements
In this town you'd need a bulletproof heart

In this town you'd need bulletproof shatterproof heart

F G
Watch your step, don't open your door
F G
Watch your step, they want to settle a score
F G Am
Watch your step, don't open your door, open your door

Solo: Am - G (2x)

Am G
Some may say this is a dangerous place
Searchlights circles, watch this space
Men disappear without a trace
Anonymous faces lost in the maze
In this town you'd need a bulletproof heart
In this town you'd need bulletproof shatterproof heart
In this town you'd need a bulletproof heart
In this town you'd need bulletproof shatterproof heart

(Am G)
Shatterproof heart (3x)

(Am G)
In this town (4x)
