

# The Silent Comedy - Always Two

Tom: **Bb**

(forma dos acordes no tom de **G** )

Capostrate na 3ª casa

Intro: **Em**

**G** **C** **Am**  
Do you see those pretty lights  
**D** **G**  
Dance around your view?  
**Em** **C** **Am**  
If you don't start seeing them right  
**D** **G**  
They're going to crash into you  
**Em** **C** **Am**  
And the boy who makes you cry  
**D** **G**  
Is not the man he'll grow into  
**Em** **C** **Am**  
You're a girl who's heart is tied  
**D** **G**  
To a stone someone else threw  
**C** **G**  
No darling don't be sad  
**Am** **Em**  
Some dreams don't ever come true  
**C** **G**  
Remember what your mother said  
**D**  
Baby, there are always two  
**D7** **Em**  
The one you love and the one who loves you  
**G** **C** **Am**  
Oh you know he's been talking all night  
**D** **G**  
He's taking that joy off your face  
**Em** **C** **Am**  
And he worships you for a while  
**D** **G**  
But your heart is in another place  
**Em** **C** **Am**

And the one you run for smiles  
**D** **G**  
Is telling you he should not chase  
**G** **C** **Am**  
He's the one you want tonight  
**D** **G**  
But he's leaving on a midnight train  
**C** **G**  
No darling don't be sad  
**Am** **Em**  
Some dreams don't ever come true  
**C** **G**  
Remember what your mother said  
**D**  
Baby, there are always two  
**D7** **G**  
The one you love and the one who loves you  
**C** **G**  
No darling don't be sad  
**Am** **Em**  
Some dreams don't ever come true  
**C** **G**  
Remember what your mother said  
**D**  
Baby, there are always two  
**D7** **Em**  
The one you love and the one who loves you  
**G** **Em**  
Oh  
**C** **G**  
No darling don't be sad  
**Am** **Em**  
Some dreams don't ever come true  
**C** **G**  
Remember what your mother said  
**D**  
Baby, there are always two  
**D7** **Em**  
The one you love and the one who loves you  
**G** **Em**  
Oh
