

The Slims - Talking In My Sleep

tom:
Dbm
Wander all alone
E
Through the streetscape in my mind
Gbm
Feeling your lure
Ab7
Feeding that drive

Dbm
And on a cool wind that will blow
E
Fragments of a memory that hold
Gbm
How many more nights we have
Ab7
How many more days to go

Dbm
Ooh Girl
E
Talking in my sleep now
Gbm
Talking to you girl
Ab7
Talking in my sleep now

Acordes

Dbm
Cold sheets on the floor
E
As I chase you through the night
Gbm
No Clear direction
Ab7
No end in sight
Dbm
And for a moment I awoke
E
Frightened of the words I had spoke
Gbm
But will my lover ever know
Ab7
I whisper your name in the night

Dbm
Ooh Girl
E
Talking in my sleep now
Gbm
Talking to you girl
Ab7
Talking in my sleep now

Dbm
Yeah
