[Verse 1]

**Em Dm Em**  
Easy, easy  
**Em**  
It begs me while I'm sleeping

A desire, second chance

I have set myself on fire  
**Em**  
It's easy  
**Am Dm Em**  
Don't mess with me  
**D Em Gm Em**  
Don't mess with me

As I die in the flames  
**D Em Dm Em E D**  
As I set myself on fire

Uh

**D**  
Wakes me from my sleep  
**Em**  
Smoke wakes me from  
**Em**  
Wakes me from my sleep

Smoke wakes me from  
**Em**  
Yeah, yeah, yeah, yeah  
A one true revolution  
**D**  
Wakes me from my sleep

Smoke wakes me from my sleep

It's easy to leave me

We should give ourselves another chance

Let go of our troubles

Into our caress

Our caress

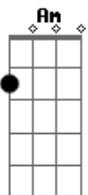

**D Em**  
And we set ourselves on fire

We set ourselves on fire  
**D**  
Wakes me from my sleep

Smoke wakes me from
