

The Smiths - I Know It's Over

Tom: C

C
Oh mother, I can feel the soil falling over my head Am
F G C
and as I climb into an empty bed

oh well, enough said
F G F G
I know it's over still I cling
Em G F G
I don't know where else I can go, mother

Oh mother, I can feel the soil falling over my head
see, the sea wants to take me
the knife wants to slit me
do you think you can help me?

Sad veiled bride, please be happy
handsome groom, give her room
loud, loutish lover, treat her kindly
although she needs you more than she loves you

And I know it's over
still I cling
I don't know where else I can go
it's over, it's over, it's over

I know it's over
F
and it never really began
B F G Am
but in my heart it was so real
F G F G
and you even spoke to me and said:

"If you're so funny
then why are you on your own tonight?"

and if you're so clever
then why are you on your own tonight?
if you're so very entertaining
then why are you on your own tonight?
if you're so very good looking
why do you sleep alone tonight?

C
I know because tonight is just like any other night
Am F G
that's why you're on your own tonight
C
with your triumphs and your charms
Am
while they are in each other's arms"

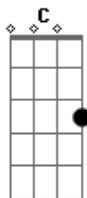

F G F
It's so easy to laugh
G
it's so easy to hate
F G Fmaj9 G
it takes strength to be gentle and kind

it's over, over, over
It's so easy to laugh
it's so easy to hate
it takes guts to be gentle and kind
it's over, over, over

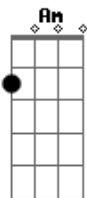

Love is natural and real
but not for you, my love
not tonight my love
F G C F
love is natural and real
G F G Em
but not for such as you and I, my love

Oh Mother, I can feel the soil falling over my head (5x)
