

The Smiths - I won't share you

Tom: **G**

(G,Am,C,**D**)
 I won't share you
 I won't share you
 with the drive
 the ambition
 and the zeal I feel
 this is my time
 (Bm,Em,C,**D**)
 as the note I wrote
 was read, she said
 has the Perrier gone
 straight to my head
 or is life plainly sick and cruel, instead?
 "Yes!"
 No, no, no, no, no, no(D,**C**)
 (G,Am,C,**D**)
 I won't share you

I won't share you
 with the drive
 and the dreams inside
 this is my time
 (Bm,Em,C,**D**)
 Life tends to come and go
 well, that's OK
 just as long as you know
 Life tends to come and go
 well, that's OK
 just as long as you know
 (G,Am,C,**D**)
 I won't share you
 I won't share you
 with the drive
 and the dreams inside
 this is my time
 this is my time
