 I've come to wish you an unhappy birthday
D **F** **Bb**
 because you're evil and you lie and if you should die
G **D** **F**
Bb **G** **D** **F** **D**
 I may feel slightly sad but I won't cry

G **D** **C**
 Loved and lost and some may say
D **C**
 when usually it's nothing surley you're happy it should be
 this way?
D **C**
 I say "No, Im gonna kill my dog" and
D **C** **C**
 "May the lines sag, the lines sag heavy and deep tonight"
D **F** **Bb** **G**

I've come to wish you an unhappy birthday
D **F** **Bb**
