

The Staves - Teeth White

Tom: **G**
Intro: **D D C C G G G**

My mind is troubled these days
I don't know know what to say
About all the crazy things that I have done
I don't know what I'm looking for
But I know this for sure
That I'm the only one not having fun

I got my teeth white and my jeans tight
I got my hair long and it's still wrong
And I wanna know
When I can start taking it slow
Cause I've had enough

I don't know what to expect
I feel a disconnect
And in all my years I've never felt so young
I'm not gonna break my back
Work until my bones crack
If I'm the only one not having fun

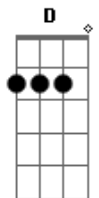

C Em
Whoo!

I got my hair long and it's still wrong
And I wanna know
When I can start taking it slow
Cause I've had enough
Stop asking me why I won't take the things you give me
I'm not gonna smile

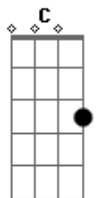

When you shake my hand
And tell me you're not happy with me
(**D D C C G G G**)

I got my teeth white and my jeans tight
I got my hair long and it's still wrong
And I wanna know
When I can start taking it slow
Cause I've had enough
I wanna know
When I can start
(**G G G G G G G**)
