

# The Strokes - Alone Together

Tom: **D**

Guitarra 1:

(riff a)

Baixo:

Entra a 2a guitarra:  
(riff b)

O baixo sempre fica o mesmo.

Verso:

(riff a)  
No choice now, it's too late (riff b)  
(riff a)  
Let him go, he gave up (riff b)  
(riff a)  
Don't give up  
(riff a)  
Lisa said "Take time for me" (riff b)  
(riff a)  
Dropping him down to his knees (riff b)  
Oh just go.

(As guitarras alternam entre o Riff **A** e o Riff B. Quando o vocal está presente, usa-se o Riff B. Quando não está, usa-se o A.)

No final,

Guitarra 1,

o refrão:

Guitarra 2,

Refrão:

Take me away, see I've got to explain  
Things they are changing such a permanent way  
Life seems unreal, can we go back to your place?  
Ah, you drink to much, makes me drink the same.

o verso é do mesmo jeito:

People try, felt so right  
Giving themselves good advice  
Looking down sometimes felt nice.

Faz a parte do refrão, do mesmo jeito também:

He knows its just a fact to kill to survive  
He's earning dollars when you're giving your life  
Let some poor soul work 3 hours a day  
The world is over and i don't care 'cause,

Refrão:

Take me away, see I've got to explain  
Things they are changing such a permanent way  
Life seems unreal, can we go back to your place?  
Ah, you drink to much, makes me drink the same.

Solo (1a parte)

Solo (2a parte)

Repete o solo, enquanto entra o vocal:

On the first time that i met your friends  
A second time I thought it would last  
We all like it a little different.

No final do solo, termina assim:

E a guitarra finaliza:
