

The Strokes - I'll Try Anything Once

Tom: C

Ten decisions shape your life
You'll be aware of five about
Seven ways to go through school
Either you're noticed or left out

Seven ways to get ahead
Seven reasons to drop out

And i said, i can see me in your eyes
You said, i can see you in my bed
That's not just friendship thats romance to
You like music we can dance to

Sit me down
Shut me up
I'll calm down
And i'll get along with you

There is a time where we all fail
Some people take it pretty well
Some take it all out on themselves
Some the just take it out on friends

Oh everybody plays the game
And if you dont your called insane

Dm G

Don't don't don't don't it's not safe no more
Iv'e got to see you one more time
Since you were born
In 1984

Sit me down
Shut me up
I'll calm down
And i'll get along with you

Everybody was well dressed
And everybody was a mess
six things without fail you must do
So that your women loves just you
All the girls played mentle games
And all the guys were dressed the same

Why not try it all
If you only remember it was
Ooooooooooh
Ooooooooooh

Sit me down
Shut me up
I'll calm down
And I'll get along with you

Ok! one more time
