

# The Strokes - Red Light

tom:

C

[Primeira Parte]

C  
Two can be complete without the rest of the world  
C  
Two can be complete without the rest of the world  
Dm  
Do it for the people that have died for your sake  
Dm  
An entire generation that has nothing to say  
F  
How'd you make your way to me?

[Refrão]

G  
Let's say you made a deal with me  
C  
And I got your name and your home address  
G  
And you're all trashed up with your big red belt  
C  
I would almost say that you might need help  
G  
I could drop you off at the next red light  
C  
If it don't make sense or it don't feel right  
G  
All the girls could never make me love them the way I love you

[Segunda Parte]

C  
Ca-an't you see the sky is not the limit no more?  
C  
I can see the elevator crashed the floor  
Dm  
I can still see yesterday sailing away  
Dm  
Seven billion people who got nothing to say  
F  
Are you coming on to me?

C

It was so inviting it hurt my bones  
G  
Well it looks like you but your eyes are grey  
C  
And your hair is gone but your mind's okay  
G  
Yes I like your smile but your forehead's cold  
C  
I don't want you to be afraid and go  
G  
I would cheat and lie and steal now I'll  
F  
Stay at home and kneel for you  
F  
For my baby, to arrive  
C  
Right by my side  
Em  
Oh please  
Dm  
Leave me alone tonight  
Em  
Forget the past  
C  
Two can be complete without the rest of the world  
C  
Oh you know I said it just to get you to laugh  
Dm  
Do it for the people that have died for your sake  
Dm  
An entire generation of entertainers to blame  
C  
The light is red  
G  
The camera's on  
G  
Get yourself a lawyer and a gun  
F  
Hate your friend's new friends like  
C  
Everyone  
G  
Childhood's end can be so competitive  
F  
Oh sky's not the limit and your never  
F  
Gonna guess what is  
C
