I got guns in my head and they won't go.  
Spirits in my head and they won't go.  
I got guns in my head and they wont go  
Spirits in my head and they wont?

Been lookin' at the stars tonight  
And I think "Ohh how I miss the bright sun"  
I'll be a dreamer 'til the day I die.  
And they say "Ohh, how did God die young?"  
But were all strange, and maybe we don't want to change

I spend a lot of nights on the run  
And I think "Ohh, like im lost and can't be found."  
Im just waiting for my day to come.  
And I think "Ohh, cause I don't wanna let you down."

But something inside has changed, and maybe we don't wanna stay the same

And I dont want a never-ending life  
I just want to be alive  
While im here  
And I dont want a never-ending life  
I just want to be alive  
While im here  
And I dont want to see another night lost inside of our own life
