

# The Struts - Black Swan

Tom: **G**

[Primeira Parte]

**B** I was a boy from the hills **G**  
**A** I ran so much before she came **B**  
**G** Then I saw you we grew together  
**A** You were just the same  
**B** We fell in love oh so desperately **G**  
**A** Against your families will **B**  
**G** We planned to run away **A**  
**G** She said to meet me at night on the hill

[Pré-Refrão]

**G** They'll never find us is what she said **A**  
**Bb** We could have made it out but **C**  
**Bb** In the night they sold her life

[Refrão]

**F** Now there's nothing more than this  
**C** A lonely sky amongst the mist  
**Dm** Now you're gone  
**G** My black swan

**F** I know there's nothing left to say  
**C** But if you ever fly my way  
**Dm** Sing your song  
**G** Now you're gone  
**Bb** Love so strong **C**  
**Dm** My black swan

[Segunda Parte]

**B** I may have said the case was a mystery **G**  
**A** The joy has set them free  
**B** Now the town sails my history **G**  
**A** To a place no one should be

[Pré-Refrão]

**G** You did the crime that's what they say **A**

I wish I could clear my name from  
**Bb** That dark night they stole our light **C**

[Refrão]

**F** Now there's nothing more than this  
**C** A lonely sky amongst the mist  
**Dm** Now you're gone  
**G** My black swan

**F** I know there's nothing left to say  
**C** But if you ever fly my way  
**Dm** Sing your song  
**G** Now you're gone  
**Bb** Love so strong **C**  
**D** My black swan

( **Dm** )

**Bb** They'll never find us is what she said **C** **Dm**
