

The Struts - Kiss This

```
Tom: G
            Rh
Thomas said stay home, get away from me
Saying I was bad for you
Eb
He got his way
I'm gone for good
Making up stories, keeping it secret
Taking your word for truth,
You were bad for me
Bb
So I'm gone for good
I did all I could
             Eb
So kiss this one more time and I'm gone for good
              Ab
You, misunderstood
          Eb
So kiss this one last time and I'm gone for good
Thomas said sorry, coming back, crawling
Didn't give a shit before,
Fh
He stole from me
So I'm gone for good
Getting back from this no second chances
Another phone call ignored
You were bad for me
```

```
So I'm gone for good
I did all I could
             Eb
So kiss this one more time and I'm gone for good
Bb
             Ab
