

The Stylistics - You are everything

```
Tom: Db
                                                                             Bb
                                                                    You are everything and everything is you
                                                                                                            [3X]
  (Thom Bell - Linda Creed)
Intro: (electric sitar w/bass drum and strings)
                                                                         Ab Bb
                                                           Verse 2:
        Ebm
               Gb Ab
                                                                             C
                         Bb
                                                                                       Fm
                                                                  How can I forget when each face that I see
                                                                       Fm C Am
Verse 1:
                                                                  Brings back memories of being with you
                                                                            Dm
                                                                                        Gm
                                                                  I just can't go on living life as I do
                              Ebm
       Today I saw somebody who looked just like you
                                                                          Bb
                    Bb
                                                                  Comparing each girl to you
       She walked like you do
                                                                          Dm
                                                                                        Eb
                                                                  Knowing they just won't do, they're not you
          Gm
       I thought it was you
                                                          Chorus:
       As she turned the corner, I called out your name
         Ab Eb
                                                                  Bb7
                                                                             С
                                                                                   Am
                                                                                               Dm
                                                                                                     [3X]
                                                                    You are everything and everything is you
       I felt so ashamed
          Cm
                  Db
                              Ab Bb
       When it wasn't you, wasn't you, oh....
                                                                  (repeat 2X w/electric sitar)
Chorus:
                                                                  (repeat 4X; fade)
```
