Tom: E 'And Every Time I See You, You just Walk Away' Album:? (Not Yet Released) Tuning: Flats- Eb Ab Db Gb Bb Eb 'And Still The World Is Turning' Tabbed By James Morris Intro: 'I want to hear what you, what you've got to say' 'Another Day Is Here And I am Still Alive' 'I Say These Words Aloud They Speak from The Inside' Outro 'And Every Time I See You, You just Walk Away' End On 'And Still The World Is Turning' Eb|---| Bb | -6- | Gb | -7- | 'I Want to hear what you, what you've got to say' Db|-7-| Ab | -5- | Eb | - - - | 'Say, hey, hey, hey, hey, uh' End. I am not sure if all of the lyrics are correct because I Verse tabbed this from memory, but the tab itself I am pretty sure is correct, but correct if there are any mistakes.
