Tom: E

(com acordes na forma de Capotraste na 2ª casa (capo 2ª casa) D )

**Bm7**  
This diamond's growing in the mountains  
**A**  
beneath the pressure of all time  
**Bm7**  
that glow in hope and expectation  
**A**  
waiting for your hands to find  
**G**  
'cause only you could reach inside me  
**Em**  
and figure out the worth  
**Gm**  
of a life i live providing  
**Em**  
what it was you needed most

**Bm7** **A** (2x)  
oh ... da ra da

**Bm7**  
And if everything is measured by the  
**A**  
hole it leaves behind then this  
**Bm7**  
mountain has been leveled and there's  
**A**  
no more diamonds in the mine  
**G**  
go on now just leave it  
**Em**  
the timing wasn't right and the  
**G**  
forces that swept us both away was too  
**Em**  
strong for us to fight

**Bm7** **A** (2x)  
oh ... da ra da

**G** **Em**  
Fantasy man you are always  
**G** **Em**  
one step ahead of me  
**Dbm** **B**  
well i never heard a warning  
**A** **Dbm**  
i haven't got things right  
**Dbm** **B**

the sun came out this morning  
**A** **Dbm**  
and filled my room with light  
**Dbm** **B**  
so go now you are forgiven  
**A** **Dbm**  
let's put it down to light  
**Dbm** **B**  
the story of two lovers  
**A** **Dbm**  
would dance both edges of the night

**Bm7** **A** (2x)  
oh ... da ra da

**Bm7**  
In the station you were standing  
**A**  
not knowing what you want  
**Bm7**  
and the secrets that we're defending  
**A**  
have become our only bond  
**G**  
just be patient while i wait here  
**Em**  
journeys out of sync  
**G**  
while you're out there running in the chaos  
**Em**  
i need some time to think

**Bm7** **A** (2x)  
oh ... da ra da

**G** **Em**  
Fantasy man you are always  
**G** **Em**  
one step ahead of me  
**Dbm** **B**  
well i never heard a warning  
**A** **Dbm**  
i haven't got things right
