

The Technicolors - Tonight You Are Mine

tom:

F (forma dos acordes no tom de E)

Capostrate na 1ª casa

In a sense I'm such a mess

Watching you

The air is cold, so hard to breathe

Still your breath is all I see

Reflect the sun

Light the one that I could never be

I thought I heard you call my name

Thought that I could take the blame

If you could have it all, why do you want me?

So let me slip inside your ultraviolet disguise

The daylight holds you close

But tonight you are mine

Mine, mine

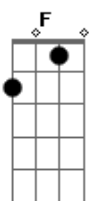

In a sense I'm nothing less

Than who you claim to be

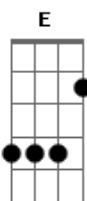

But you're dressed in pixels clear as crystals

On my mind

Just one more time

If you could have it all, why do you want me?

So let me slip inside your ultraviolet disguise

The daylight holds you close

But tonight you are mine

Mine, mine

Don't be so naive

You know that you are all I see

Oh, and I cannot believe

The monopoly that bleeds

From your pores to the shores of the sea

So let me slip inside your ultraviolet disguise

The daylight holds you close

But tonight you are mine

Mine

So let me slip inside your ultraviolet disguise

The daylight holds you close

But tonight you are mine

Mine
