

The Temper Trap - Trembling Hands

tom:

Intro: C Gm Dm C Am

[Primeira Parte]

Treading the ground

I once used to know

The people are strangers

The same as before

The streets look familiar

I remember the park

Where I buried my head

So deep in my hands all around me was

Dark

[Segunda Parte]

This here city

Is for the lonely ones

You won't find no angels

Selling maps to the lost

This here place

Is too small for two

It took one to realize

When dreaming's this hard it's not meant

To come true

[Refrão]

So throw me a line

Somebody out there help me

I'm on my own

I'm on my own

Throw me a line

I'm afraid that I have come here

To win you again

With trembling hands

(C Gm Dm Am)

[Terceira Parte]

Passing the days

Looking over the buildings

Time seems to stop

While the millions keep moving

Now here I am

I'm a drop in your ocean

A noise in the crowd

Pushing through your halls of reason

[Refrão]

So throw me a line

Somebody out there help me

I'm on my own

I'm on my own

Throw me a line

I'm afraid that I have come here

To win you again

With trembling hands

[Ponte]

Hear me now make me whole... Whole

Hear me now make me whole... Whole

[Refrão]

So throw me a line

Somebody out there help me

I'm on my own

I'm on my own

Throw me a line

I'm afraid that I have come here

To win you again

With trembling hands

Trembling hands

(C Gm Dm Am)

[Final]

There goes the ending

It left me in want

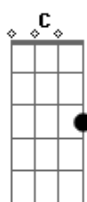

I've tried everything, dear

I am done with my part
