

The The - This Is The Day

tom:

A
Bb Gm C Eb

Bb
Well, you didn't wake up this morning

Gm
Cuz, you didn't go to bed

C **Eb**
You were watching the whites of your eyes turn red

Bb **Gm** **C** **Eb**
The calendar on your wall is ticking the days off
You've been reading some old letters
You smile and think how much you've changed
All the money in the world
Couldn't buy back those days

Bb **Gm** **C** **Eb**
You pull back your curtains
And the sun burns into your eyes
You watch a plane flying across a clear blue sky

Bb **Gm** **C** **Eb**

This is the day your life will surely change
This is the day when things fall into place

Bb **Gm** **C** **Eb**
You could've done anything if you'd wanted
And all your friends and family
Think that you're lucky
But the side of you they'll never see
Is when you're left alone with the memories
That hold your life together like glue

Bb **Gm** **C** **Eb**
You pull back your curtains
And the sun burns into your eyes
You watch a plane flying across a clear blue sky

Bb **Gm** **C** **Eb**
This is the day your life will surely change
This is the day when things fall into place

This is the day your life will surely change
This is the day your life will surely change
This is the day your life will surely change
This is the day your life will surely change
