The Trouble With Templeton - Someday Soon

Tom: A

```
   Intro: A Abm Gbm (x2)

     A          Abm
I'd sell my soul
        Gbm
For a dime or two
          A        Abm        Gbm
Because getting old never did much use
     A            Abm            Gbm
And I'll find my way someday soon

           A              Abm
Someday soon, someday soon
             Gbm
I'm gonna find hope
Gbm Abm  A    Abm  Gbm
     Woah,    woah
Gbm Abm  A    Abm  Gbm
     Woah,    woah

A Abm Gbm

     A          Abm
I'll bury my rage
       Gbm
underneath your feet
     A            Abm            Gbm
And in time with age you may one day meet
```

```
           A          Abm          Gbm
And you'll feel my pain someday soon

            A              Abm
Someday soon, someday soon
               Gbm
I'm gonna find hope
Gbm Abm  A    Abm  Gbm
     Woah,    woah
Gbm Abm  A    Abm  Gbm
     Woah,    woah

A Abm Gbm

         A          Abm
I'll hang my skin
        Gbm
On an old coat rack
         A          Abm
Then I'll fly the wind
                 Gbm
'Cause baby, I'm not coming back
         A          Abm    Gbm
And I'll find my place someday soon
         A      Abm        Gbm
Someday soon,     someday soon

A Abm Gbm
A Abm F#m
```
