

The Vamps - All The Lies (feat. Felix Jaehn & Alok)

Tom: G

We were gonna go to Paris
 We were gonna get tattoos
 Told my mama I would marry you
 Started building a foundation
 Me, you from the ground straight up
 We built our walls so strong no one got through

You tell me all the things I wanna hear
 When I'm gone, you say you want me near
 You look me in the eyes, say that we will stay for life
 These feelings that we caught won't disappear

Of all the lies I heard
 I love you was my favourite
 I know goodbyes, they hurt
 I need to hear you say it
 One time before I go, whisper it slow
 Of all the lies I heard
 I love you was my favourite

Oh-oh-oh, say it slow
 Oh-oh-oh, say it
 I love you was my favourite
 Oh-oh-oh, say it slow
 Oh-oh-oh, say it
 I love you was my favourite

You told me you and him were good friends
 Known him since you've been at school

Told me I was overthinking like I do
 You said I didn't need to worry
 We'd get along 'cause he's so cool
 Girl, you must've thought I was some kinda fool

You tell me all the things I wanna hear
 When I'm gone, you say you want me near
 You look me in the eyes, say that we will stay for life
 These feelings that we caught won't disappear

Of all the lies I heard
 I love you was my favourite
 I know goodbyes, they hurt
 I need to hear you say it
 One time before I go, whisper it slow
 Of all the lies I heard
 I love you was my favourite

Oh-oh-oh, say it slow
 Oh-oh-oh, say it
 I love you was my favourite
 Oh-oh-oh, say it slow
 Oh-oh-oh, say it
 I love you was my favourite

Of all the lies I heard
 I love you was my favourite
