

# The Vamps - Coming Home

Tom: **Ab**

(com acordes na forma de **G** )

Capostrate na 1ª casa

Intro: **G G G G2**

Of course I get **G** lonely, I guess I ain't **G** old me  
I'm sick and I'm tired of getting used up and tossed to the **G2**  
side

I hate this hotel room, for walls that stop me from getting  
you

I'm hoping that some day, we can runaway for a little **G2**

But I promise I'll be back soon  
And a voice through a phone ain't the same it's true  
Give me time, and I'll give you every drop of mine

**G** Keep the car running, and keep those sheets warm **G**

Cause baby there's nothing, that I want more **G**

To hold you right beside me, the way I always do **G2**  
But I gotta tell you something, I miss you but **G**

**G** You never know when I'm coming home **D7** **G**

I know it's been **G** six weeks, but how could I ever forget your  
old face **G**

**G2** And I find it so cute when you think there's ever been anyone  
but you

I know I said I promise I'll be back soon  
Just come move my way so we can get through  
But give me time, and I'll give you every drop of mine

**G** Keep the car running, and keep those sheets warm **G**

Cause baby there's nothing, that I want more **G**

To hold you right beside me, the way I always do **G2**  
But I gotta tell you something, I miss you but **G**

**G** You never know when I'm coming home **D7** **G**

When I'm coming home, when I'm coming home, when I'm coming  
home **G2**

**G** Tomorrow feels like a lifetime away, so why don't you stay **G**  
right here **G2**

Cause my arms were made for you tonight  
Lie in, sink into my skin

**G** Keep the car running, and keep those sheets warm **G**

Cause baby there's nothing, that I want more **G**

Then hold you right beside me, the way I always do **G2**  
But I gotta tell you something, I miss you but **G**

**G** You never know **D7** **G**

**G** Keep the car running, and keep those sheets warm **G**

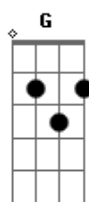

Cause baby there's nothing, that I want more **G**

To hold you right beside me, the way I always do **G2**  
But I gotta tell you something, I miss you but **G**

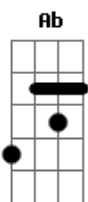

**G** You never know when I'm coming home **D7** **G**

When I'm coming home, when I'm coming home, when I'm coming  
home **G2**
