

# The Vamps - Glory Days

tom:

Intro: D Em Bm G

These are our glory days (these are our glory days)

D  
I don't wanna jinx this thing  
Em  
But I think we got somethin'  
Bm G  
Swimmin' in our feelings, starin' at the ceiling

D  
I don't wanna take this slow  
Em  
Or wait till the fire grows cold  
Bm  
We should turn the lights down  
G  
Focus on the right now

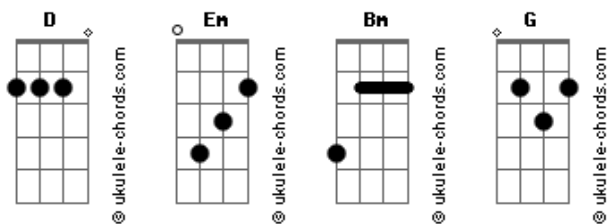

D Em Bm  
Maybe we don't need to be looking forward, no  
G  
Looking forward  
D Em Bm  
Baby, let's not wait for what's 'round the corner  
G  
Around the corner

D Em  
These are our, these are our glory days  
Bm G  
These are our, these are our glory days  
D  
I just wanna lie back in your room  
Em  
While I'm gettin' high off your fumes  
Bm  
And I'm thinkin' these are our, these are our  
G D  
These are our, these are our, these are our glory days  
( Em Bm G )

D  
I just wanna take some time to say  
Em  
You should take a minute out today  
Bm  
Go and put your phone on airplane  
G  
Can we connect and communicate?

D  
I'm sick of stackin' shelves inside my mind  
Em  
I'ma take a mount and realign  
Bm  
Took a little while to realize  
G
