Tom: C

Intro: Am C G F

Am C G  
I've been fooled too many times,  
F  
Always hearing little black and white lies,  
Am C G  
I've had enough, and off the line,  
F  
I told myself that I would get it right this time.

Am C  
Then you walk in through the door,  
G  
I couldn't want you more,  
F  
When you let your hair down, hair down.  
Am C  
So tell me what to say,  
G  
I wanna play your game,  
F  
Hear me calling "Hey" now.

Am C G  
The way you move it got me losing it,  
F  
Don't you know that you are golden, golden,  
Am C G  
No matter where we go, you keep me on my toes,  
F  
Don't you know that you are golden, golden.  
( Am C G F )

Am C G  
I'm so hung up, just chasing tracks,  
F  
Can't disconnect my heart and there's no turning back,  
Am C G  
You're close enough, close enough to touch,  
F  
And yes you're out my sight but I'm not giving up.

Am C  
You had me from day one,  
G  
Pull the trigger now I'm done,  
F  
Got my heart on lock down, lock down,  
Am C  
We're playing cat and mouse,

G  
I tried to work you out,  
F  
How I can move your way now  
Am C G  
The way you move it got me losing it,
