

# The Vamps - Paper Heart

Tom: **C**

Intro: **C C**

**C**  
There's a lot of things that I may not know  
But missing you baby is the only thing I know, I know **Am C**  
And who am I to say what the future holds? **C**  
But missing you baby is the only thing I know, I know **Am C**  
**C**  
If my heart was paper, I'd fold it **Am**  
**Em** Throw it to the wind and just hope it ends up with you **F C**

**C** I'd sign it with love from me to you **Em**  
I'd try to be cool, but my feelings, they don't allow me to **Am F**  
And all that I ask, is that at least you write me back, I'm waiting **C Em**  
Here's my paper heart, won't you hold it, hold it? **Am F C**

**C** Said you needed space, so I gave you time  
A year's gone by and I'm thinking you're still mine, in my mind **Am**  
And I've written you this letter like a hundred times **C Am**  
**C** To start a conversation that we should have had that night, I tried

**C** If my heart was paper, I'd fold it **Am**

Here's my paper heart, won't you hold it, hold it? **Am F**  
**C** Flying through fields all the same **Am F**  
**C** Hoping one day it will land **Am F**  
And end up with you **C**

**C** I'd sign it with love from me to you **Em**
