

The Vamps - Personal (feat. Maggie Lindermann)

Tom: **F**

Don't take it **Bb** personal **C**

But personally, I think you'd be better with somebody like me **Dm**

But worse of all, you don't even see (you don't even see) **F**

I think it's time I let my heart out on the line **Bb** **C**

I think it's time to say what's playing on my mind **Dm** **F**

I see you out with him and I say that I'm fine **Bb** **C**

Happens every time (every time) **Dm** **F**

I'm sick and tired of playing games **Bb** **C**

I'm sick and tired of being second place **Dm**

And I know if I never try **F**

I'll be sick and tired of being sick and tired

Don't take it **Bb** personal **C**

But personally, I think you'd be better with somebody like me **Dm** **F**

But worse of all, you don't even see (you don't even see)

Girl, don't take it **Bb** personal **C**

But personally, I think you'd be better with somebody like me **Dm** **F**

But worse of all, you don't even see (you don't even see)

Girl, don't take it **Bb** personal **C**

But personally, I think you'd be better with somebody like me **Dm** **F**

But worse of all, you don't even see (you don't even see)

Girl, don't take it **Bb** personal **C**

But personally, I think you'd be better with somebody like me **Dm** **F**

But worse of all, you don't even see (you don't even see)

Bb **C**

You know how much I love it when you call me out **Dm** **F**

You see it in my eyes, the way they follow you around **Bb**

'Cause yeah, I like the way you

You know I do, yeah I do **C** **Dm** **F**

'Cause that's just you

I'm sick and tired of being friends **Bb** **C**

I'm sick and tired of being there **Dm**

And I know if I never try **F**

I'll be sick and tired of being sick and tired

Girl, don't take it **Bb** personal **C**

But personally, I think you'd be better with somebody like me **Dm** **F**

But worse of all, you don't even see (you don't even see)

Girl, don't take it **Bb** personal **C**

But personally, I think you'd be better with somebody like me **Dm** **F**

But worse of all, you don't even see (you don't even see)

So, let's make it **Bb** personal **C**

Tell me what you like **Dm**

Let's make it **F** personal

'Cause I know that you want to try to get personal **C**

Tell me what you like **Dm** **F**

Let's make it personal (personal)

Girl, don't take it **Bb** personal **C**

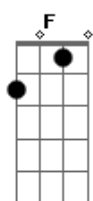

But personally, I think you'd be better with somebody like me **Dm** **F**

But worse of all, you don't even see (you don't even see)

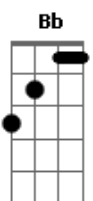

Bb

Girl, don't take it personal
