

The Vamps - Rest Your Love

Tom: C I see you move so I do understand G F Why you get attention G I hear you talk but I don't comprehend G F Why I get no mention And you know, you know where to find me Yeah you know where to go when you're looking for love G And you know, you know where I'm hiding Am G Yeah you know, yeah you know Am That when the stars go out You can rest your love on me Am And when the world gets loud Baby you can rest your love on me When the stars go out You can rest your love on me Am And when the world gets loud Baby you can rest your love on me I used to try to get into your space Then I learned my lesson Cause you're the type in love with the chase You need some rejection And you know, you know where to find me

Acordes

Yeah you know where to go when you're looking for love

And you know, you know where I'm hiding

Yeah you know, yeah you know

That when the stars go out You can rest your love on me And when the world gets loud Baby you can rest your love on me When the stars go out You can rest your love on me And when the world gets loud Baby you can rest your love on me (Yeah you can rest your love on me) And when the world gets loud Baby you can rest your love on me (Yeah you can rest your love on me) (Am F G C)Yeah you can rest your love on me Yeah you can rest your love, yeah you can rest your love Yeah you can rest your love on me And you know, you know where to find me Yeah you know where to go when you're looking for love $\begin{tabular}{lll} Am & G & F \end{tabular}$ And you know, you know where I'm hiding Am G Yeah you know, yeah you know (Am F G C) That when the stars go out You can rest your love on me That when the stars go out, you can rest your love on me Yeah you can rest your love on me And when the world gets loud Baby you can rest your love on me Yeah you can rest your love on me Yeah you can rest your love on me

Yeah you can rest your love on me
