

The Vamps - Risk It All

Tom: **F**

(com acordes na forma de **C**)
 Capotraste na 5ª casa
 You just know, sometimes you feel it in your bones
 Though we've heard that hearts can still be wrong
 Somethings telling me that you're the one

I just know, even if I had a heart of a stone
 You could make it bleed all on your own
 You could break it but I hope you won't

Pre-chorus
 I'd burn it down, I'd light it up for you

Chorus
 I'd risk it all
 I'd rather crash, I'd rather crawl
 Than never have your love at all
 With only bricks to break my fall
 For you I'd risk it all

You ooh you ooh (x2)

Verse 2:
 Stand your ground
 Feeling loose, I gotta see this out
 Go ahead, I'll let you watch me drown
 It takes more than this to keep me down
 I'd give it in, I'd give it all for you

I'd risk it all
 I'd rather crash, I'd rather crawl
 Than never have your love at all
 With only bricks to break my fall
 For you I'd risk it all
 Bridge
 Come on, just do it
 You put me through it
 Come on, just do it
 You put me through it
 Come on, just do it you put me through it

I'd burn it down, I'd light it up
 I'd take away, I'm strong enough
 And I'd give it in, and I'd give it all for you
 Chorus
 I'd risk it all
 I'd risk it all
 Than never have your love at all
 With only bricks to break my fall
 For you I'd risk it all
 I'd rather crash, I'd rather crawl
 Than never have your love at all
 With only bricks to break my fall
 For you I'd risk it all
 You ooh You ooh (x3)
