G Am Em D  
So many nights, so many days

G Am Em D  
To all of the fights, 'cause I never behave

G Am Em D  
And I'm putting it right, hope it isn't too late

G Am Em D  
And I know, you know, I know we can't let it end this way

G Am  
Though I stopped calling you

Em D  
And I stopped taking your messages

G Am  
Never stopped loving you

Em D  
And the one thing I regret is

G Am  
I stopped calling you

Em D  
And I stopped taking your messages

G Am  
Never stopped loving you

Em D  
Though you're still running through my head

G Am  
So hold on, baby

Em D  
Know you drive me crazy

G Am  
It's a sad song really

Em D  
Shit, you made me happy, oh

G Am  
Ain't always cool

Em D  
But it's alright

G Am  
It's not a sad song really

Em D G Am  
Shit, you made me happy
